MIKKELSEN ELECTED TO HEAD ADVERTISING MANAGER GROUP

PRESIDENT

Don Mikkelsen, Redwood City Tribune advertising manager, was elected last night as president of the Northern California Newspaper Advertising Managers Association.

CHORLEY, Eng. 67—There is a custom in this Lancashire town to hang shoes on strings in the kitchens to keep cockroaches away. This was mentioned in a court case recently.

Don Mikkelsen, advertising manager of the Tribune, today headed the Northern California Newspaper Advertising Managers Association as president, as a result of his election Monday at a meeting in Plaza Hotel, San Francisco.

Mikkelsen, who had served as vice president during 1938, had been acting as president for the past two months, succeeding Dutton O'Brien of San Mateo, who moved to Los Angeles to become affiliated there with the News.

As president, Mikkelsen will handle arrangements this year for the state convention of advertising managers, to be held in San Jose.

His election marked the second time in five years a Tribune advertising manager had been selected to head the managers of newspapers in Northern California cities. In 1935, George McQueen, who now is general manager of the Burlingame Advance, was president. Two years ago, Eugene Bishop, now publisher of the Palo Alto Times but at that time advertising manager of that publication, also an affiliate of Peninsula Newspapers Incorporated, was president of the association.

Elected to serve with Mikkelsen were Clarence Law of the San Rafael Independent, vice president, and Jack Broback, Palo Alto Times, secretary.

3 Films Set
For Vet Meet

The Americanism meeting scheduled for next Sunday, 11:30 a.m. to 12:30 p.m., under the joint auspices of all the veterans organizations of San Mateo County will feature three films produced by Warner Bros. Pictures, Inc., titled "The Man Without a Country," "The Purchase of Louisiana" and "Give Me Liberty."

The meeting will be held in the Redwood Theater, Redwood City. Charles Stocker of Belle Haven Post, chairman of the Americanism committee of American Legion District 26, has extended open invitation to the general public to attend this event free of charge.

Special invitations have been mailed to schools. Prominent veteran leaders from the various groups will be present, among them Dr. H. G. Waters, department commander, American Legion; Mrs. T. Louis Chess, department president, American Legion Auxiliary; O. K. Whittenburg, department commander, Disabled American Veterans; William Wil-

son, department commander, Veterans of Foreign Wars, and W. F. Augustus of the United Spanish War Veterans.

Ex-Postal Clerk Dies at Belmont

Eugene F. Williams, a native of San Francisco and resident of Belmont for 32 years, died Monday evening of a heart attack at his home. Mr. Williams, who was 78, had retired five years ago after serving 53 years as a postal clerk.

He is survived by his wife, Josephine, and a sister, Mrs. Lillian Canfield, of Pacific Grove.

son, department commander, Veterans of Foreign Wars, and W. F. Augustus of the United Spanish War Veterans.

SALE OF BUTTONS TO REPLACE
PENINSULA PRESIDENTIAL BALL

Instead of a Presidential Ball or any other entertainment in San Mateo County this year to raise funds for the relief of sufferers from infantile paralysis, there will be a two-week campaign of button selling under direction of T. J. Hallinan, manager of the California Pacific Title and Trust Co., as chairman, assisted by Claude J. Hirschey, Burlingame banker, and Winfield Scott of Atherton, member of the State Forest Board. Scott will serve as executive secretary.

The trio were named by the state organization of the National Foundation for Infantile Paralysis to perfect a complete working organization by next Monday.

The activity will be led by a large committee made up of city and county officials, physicians, newspaper workers, school men and women, labor union representatives, and other people of all classes and callings.

The buttons will sell at 10 cents each.

"This is strictly a non-partisan affair," said Hallinan. "In designating this committee, not the slightest

attention has been paid to how anyone is registered, because infantile paralysis strikes without regard to party.

"Half of all the funds realized will be retained for work in this county, handling suspected cases. I am not a doctor, of course, but I am told that treatment is best when the character of an attack is discovered before paralysis sets in."

Wheat is successfully grown at altitudes of 10,000 feet.

Dishwasher Succumbs
Suddenly in Night

Dante Zeni, 61, employed as a dishwasher at Fabbro's Cavern for the past year and a half, was found dead Tuesday at Tony's Hotel. He apparently died of a heart attack.

Zeni had lived in Redwood City 16 years. He has two brothers but they have not yet been located.

The Senate of Elire by a 38-15 vote declined to elect Senator Patrick Baxter to position of vice-chairman because he had not a competent knowledge of the Irish language. There was no other nomination.

The 1937 income of United States cattle producers was \$1,217,900,000, the largest in eight years.

The body is at the Franklin, Martine & Crowe Mortuary.

ST. JOSEPH'S ANNUAL FETE

MENLO PARK, Jan. 13—The 15th annual meeting of St. Joseph's Alumni Association was held at the Parochial School Sunday afternoon. It was the largest gathering of former pupils in the history of the organization. Students who attended the school 20 years ago were there for the happy reunion.

The former boys and girls were greeted by Mother Foley, superintendent, who delights in annually meeting the youngsters of yesterday whom she taught and many of whom held prominent places in the business and professional world. This affection is reciprocated by members of the alumni, some of whom come from afar to be present to express their appreciation for her kindness to them in other years and to wish her a long life of happiness in the continuance of her good work.

Those elected for the coming year were John Welsh, president; Ellen Weston, vice president; Gene Ryan, secretary; Frank Sullivan, treasurer, and George Walsh, marshal. Father Thomas McKeon delivered a brief address commending the ex-pupils for the large attendance and the interest manifested in the association.

Patrick McGloin, superintendent of streets, has been temporarily laid off owing to the shortage of funds. Mr. McGloin is an efficient official. He hopes to be restored to duty next month.

Thomas (Bud) Reynolds will leave shortly for Treasure Island where he will have charge of a concession during the Fair. Reynolds invites all his friends to meet him at his headquarters during the exposition. He'll show them around.

Thomas Harrington, who has been ill, is recovering. This will be good news to his many friends in this city.

Mrs. George Clark, well known on the Peninsula, died at her home in Reno last week. Her husband is a prominent mine owner of Nevada. Her son, Jordan, is attending Santa Clara University, where he has made a record as a brilliant student. His grandfather, the late George Clark, was well-known on the Peninsula 25 years ago. He was superintendent of the Sherwood Hall Nurseries for Timothy Hopkins and some time later became the superintendent of the grounds at the Base Hospital for the government when the institution was established after the war.

The last will and testament of Mrs. Louise Tevis Sharon was filed for probate in Redwood City Wednesday. Among the many bequests is one to Ernest Taylor and his wife, Annie, for a total of \$20,000. Taylor is overseer of the Sharon's vast estate here, a position he has held over 20 years. Mrs. Sharon passed away in England on Dec. 19. Mrs. Sharon departed for Europe after the demise of her husband here several years ago but has occasionally visited in San Francisco.

Mike Dalton is gravely ill at his apartments in the Menlo Park Hotel. His many friends are much alarmed at his continued illness. Mr. Dalton is an early day horse man, having charge of the McDonough stables at Portola when they won fame in the East by the performance of their fleet racers.

Word has been received from India, Cal., from Chief of Police Foster Andrews to the effect that he is recovering nicely and will soon be back on duty here. His numerous friends hope to see him back shortly.

FOX SEQUOIA'S 'SWEETHEARTS'

Whatever may be the preference in music, it is to be relied upon that Jeanette MacDonald and Nelson Eddy please the masses. They will appear in natural colors on the Fox Sequoia Theater screen this Sunday, Monday and Tuesday in "Sweethearts," another of their famous Victor Herbert musicals.

Planners Uphold
City Building Laws

Redwood City planners were in a "rejection" mood Tuesday night, turning down several applications for violation of city building ordinances. A request to build a second house on a lot at 441 Grand was recommended against, as was an application to build a house two feet over the maximum width allowed on Lots 5-6, Block 2, of Central Park.

Complaints that persons of Oriental race were permitted to live in first class residential districts of the city were met with a ruling from City Atty. Albert Mansfield that the city could legally take no action against them.

In San Francisco, William Sharon, father of her deceased husband, left an estate valued at \$40,000,000 when he died. It must have dwindled considerably for the estate about to be probated is worth only \$1,500,000 and the younger Sharon was the principal heir. The vast fortune was taken from Nevada during the Comstock boom—the early seventies.

New Semester Starts Feb. 6

Appointment of five new teachers to care for increased enrollment at Sequoia High School expected at the start of the next semester Feb. 6 was announced Monday by Principal A.C. Argo, who

said that 125 freshmen students were expected to enter at that time. At the same time, Supt. of Schools Andrew Spinas announced that this year anyone desiring to enter pupils in either kindergarten or first grade at the start of the semester would be required to present birth certificates to vouch for their youngsters' age. He said this had become necessary because some people were

starting their children younger than is permitted by law. Minimum age for kindergarten students is four years, nine months; for first grade, five years, nine months. The new high school teachers, all of whom have exceptionally fine qualifications and are well-educated, are as follows. They will take up their new duties Feb. 6.

Miss Gladys Lathers, Menlo Park, who holds a master's degree in science. She will teach

home arts and applied science. Eri H. Richardson of Redwood City, Stanford University graduate, who will teach home arts and applied science. Miss Benita C. Calmenson, at present a teacher at Martinez High School, who will teach social living here. She holds a master's degree in English and public speaking from Stanford University. Williams Donnelly of Los Angeles, graduate of the University

of California at Los Angeles and holder of a master's degree from Harvard University. He will teach social living also. Miss Frances Ballard, Berkeley, employed there in the Bureau of Occupations, who already has a master's degree and has nearly completed the requirements for the degree of doctor of philosophy. She also will teach social living. The school board elected the teachers at a special meeting, Principal Argo said.

MORE MEASLES REPORTED
Dr. Charles C. Gans, county health director, today received notification of between 20 and 25 new cases of measles in the county as the disease spread to near epidemic proportions. More than 125 new cases have been reported this month. About 240,000 impoverished persons migrated to California during the first of the drought-dust bowl conditions.

GAS HEAT fixed us up fine for Easy Chair Living in '39

Here is a family that gave the New Year a warm reception. They installed Gas Heat on the first rainy day of Fall. And for years to come they will feel like celebrating the warmth, the comfort, the cleanliness and cheapness of Gas Heating.

Low gas rates, improved and automatic gas heating equipment at reasonable prices, make Gas Heating the first choice in California homes today. It is just as convenient and dependable to use as the electric light you turn on by pressing a button. It is always there when you need it—in large amount or small. In sunny summer days it is out of sight and out of mind, yet ready for instant use for the first cold morning or evening. Fix your home for '39 with Gas Heating now. Enjoy Easy Chair comfort without an effort or thought about keeping your house warm. Install Gas Heating in your home now.

Half a Million Feet Of Lumber Unloaded

Port Redwood City employees Sunday removed a cargo of more than half a million board feet of lumber from the Barbara "C," permitting the freighter to depart less than 24 hours after she docked Saturday night, Manager Walter F. Murphy reported today.

Expected to arrive sometime this week with loads of lumber are the freighters Bandon, Alvarado and Astoria, all of which have made frequent visits here from the Pacific Northwest. Exact dates of their arrival are indefinite, since storms in the Columbia River region in Oregon prevent the ships from leaving on a set schedule, Manager Murphy said.

Studies in California show December is the month of most traffic accidents.

Work Slows Down On Park Projects

The San Mateo County Recreation Commission heard progress reports on park development and tree planting from Adviser Ronald Campbell at its meeting this week. Campbell told the commission the Flood Park project had been closed down for the Winter with only six or seven men working in the nursery. About 100 men are working in Memorial Park, he said, cutting logs and making table tops. Another 25 are working at Thornton Beach rough-grading a road.

Right-of-Way Agent Lawrence Heiner announced that papers for final purchase of the Brisbane Lagoon Park were in escrow. All officers of the commission were re-elected yesterday, it was announced by Chairman L. Her-

bert Harris of Burlingame. Other officers are Vice Chairman Sam D. Merk of San Mateo, and Secretary Mrs. Henry W. Root of Burlingame. Other members are Herbert Plath of Pescadero and Earl P. Wilsey of Hillsborough.

Total Figure Is \$83,675

Postal receipts in Redwood City for 1938 represented an increase of \$14,926.54 over 1937, a jump of almost 22 per cent. Postmaster Robert E. O'Connell Jr. announced here as final compilation of figures for the year just ended was made.

In 1937 the Redwood City Post Office had a business of \$68,749.09. That figure jumped to \$83,675.63 during 1938, making the highest total of sales ever recorded here. O'Connell's report indicated.

For the closing three months of 1938 the receipts amounted to \$27,664.02, an increase of \$7,311.95 over the total of \$20,352.07 for October, November and December of 1937. This year's Christmas season mail service here, while handled without any difficulty, was by far the largest the city has ever had, O'Connell said.

The aggregate area of the West Indies is nearly 100,000 square miles.

Atherton Sets Seed Planting

ATHERTON, Jan. 9.—When the Golden Gate International Exposition opens in San Francisco next month, the town of Atherton—decoratively speaking—will be well prepared.

Working in line with beautification projects throughout the state, Atherton has virtually completed a program of seed-planting which will be built around the

California Poppy.

Under the auspices of the town council and with consent of Atherton's dwellers, planting of poppy seed along El Camino Real, parts of the Middlefield Rd. through the township, and along other avenues used for automobile traffic, has been completed to conform with the opening of the exposition.

Poppies of the dark orange variety will almost completely encircle the entire township, outlining Atherton with a band of flowers. In addition to strips along the major highways, along the railroad right-of-way through the town, and in front of the town hall and

Fair Oaks Dr., many vacant lots have been planted to the poppy seed.

The seed has been furnished under an appropriation of the town council. Expense of dicing the land has been paid by private landowners, interested in seeing Atherton become an attractive spot to the thousands of tourists who visit Treasure Island.

The possibility that Menlo Park also may plant poppy seed was hinted by chamber of commerce officials who may take action at their meeting tonight, prior to the meeting of the city council tomorrow.

Trial of Hendricks Is Partially Heard

Trial of W. W. Hendricks, Redwood City, former deputy county engineer, was given partial hearing before Judge A. R. Cotton Tuesday and continued to Monday to be reset on application of Dep. Dist. Atty. Louis B. Dematteis over protests of the defense. Dematteis said he wished to produce another witness to testify regarding an application made by Hendricks for a driver's license in 1937. Hendricks is charged with driving an automobile after his

\$30,000 Planting Program Under Way

San Mateo County's \$30,000 tree planting program got under way Monday with alien relief labor, and will soon become a full-fledged WPA project employing between 30 and 40 citizen relief clients, according to Ronald Campbell, planning commission adviser.

Formal notification was received today from Robert Mead, WPA supervisor at San Jose, that the project

had been approved in Washington.

The project contemplates planting of shrubs and trees on Bayshore Hwy., Woodside Rd. and Canada Rd. as a beautification project, Campbell said. Fifteen alien relief clients started work this morning under auspices of the San Mateo County Relief Committee.

Under terms of the \$30,000 project, Campbell said, the county will provide 20 per cent of the required funds to provide trees and shrubs, trucks and supervision. Toyons, sycamores, ash, and native shrubs are to be planted, he said.

Law Violators Pay Fines Here

The parade of holiday traffic law violators into Judge Edward I. McAuliffe's court started Monday. Collections: \$142.50.

Heaviest penalties were assessed to James W. Spivey of Watsonville, a fight promoter, and William E. Dickerson, attendant at the Veteran's Administration Facility, East Palo Alto. Each paid \$25. Spivey was charged with speeding 75 miles an hour. The State Highway Patrol discovered Dickerson parked in the East Palo Alto underpass with a half gallon jug of wine in his car.

Richard Hayes, San Francisco waiter, paid \$15 for speeding 70 miles an hour.

Ten dollar speeding fines were paid by Ronald Hipp, Walter Allward and Nick T. Euyok Jr. of Menlo Park. Jesus G. Santos of San Francisco, and Ray Longmire, Los Gatos.

Five dollar speeding fines were paid by Frank Butello, San Francisco, Elmer Johansen, Oakland, Leverett T. Spaulding, Menlo Park, and Hohn R. Powell, Bakerville.

Robert G. Goecker, Mountain View bookkeeper, paid \$5 because he shined an illegal spotlight into a patrol car when it failed to dim its lights.

Carl Pelphrey of Redwood City paid \$2.50 for passing an arterial.

County Veterans Give Heald Post

Clayton H. Heald, commander of Corp. James Lindsay Wilson Post 2310, Veterans of Foreign Wars, Redwood City, is the new vice president of the San Mateo County United War Veterans Council, as the result of an election held in American Legion Hall, Daly City, at which Richard L. Crane, Daly City superintendent of schools, was elected president.

William J. Maes, of the Veterans of Foreign Wars in San Mateo, was elected treasurer, and E. L. Dickerson, of the Disabled American Veterans, Burlingame, was elected sergeant-at-arms.

Election of a secretary was postponed till next month.

The outgoing president who served during 1937 and 1938 is Maj. H. W. Edmonds of Redwood City.

3 From This Area Ask College Degrees

Stanford University registrar's office today released a provisional list of candidates for degrees to be awarded in June. Among those in this vicinity seeking degrees are James Oliver Yates of Belmont, who expects to be awarded his bachelor of arts degree; Florence M. Bourret, Menlo Park, master of arts in history, and Kathleen M. McDevitt, Menlo Park, master of arts in history.
